Darwin Wiggett Photographs Canada

Darwin Wiggett. I am a full-time outdoor and nature photographer specializing in Landscape, Outdoor Recreation, Kids and Animal photography. My work has been published in many publications including Outside, National Geographic Traveler, Geo, Outdoor Photographer, Nature's Best, Dogs in Canada, Canadian Geographic, and Equinox as well as more mainstream magazines such as Time, MacLean's, Business Week, and Reader's Digest. My images have appeared in countless calendars and have been ...

Darwin Wiggett was born and raised in Alberta where he obtained his Masters degree in zoology from the University of Alberta. His interest in wildlife and scenic photography was sparked by the Photography of Natural Things by Freeman Patterson. Darwin lives in Water Valley, Alberta with his son, Alex and dog Lika. When he's not taking photographs, he enjoys hiking, biking, and bird watching. He also likes to play the guitar.

NPN Staff Profile - Darwin Wiggett: Contributing Editor: In the fall of 1986, when I was 25, two events shaped the course of my life. First, I picked up a book called The Photography of Natural Things by Freeman Patterson. From this book I saw that nature photography could go beyond documentation and be a form of personal expression. I was blown away by what Freeman could do with a camera. He ...

Darwin has been shooting stock since 1990, is a contributing editor to Canada's "Photo Life" magazine and has two books published by Whitecap in Vancouver ("Darwin Wiggett Photographs Canada" and "Seasons in the Rockies"). Together they specialize in landscape, nature, animal, humor and kid photography. Comments on NPN landscape photography articles?

The Importance of Clouds in Landscape Photography

A few photography friends and I spent a week up there, during which time we also attended a 3-day photo tour run by Darwin Wiggett. Darwin knows the terrain up there like no one else and showed us some of the best locations for great photographs. Since my time is limited at the moment, the following is simply a quick summary of the trip with a few accompanying photos I took...

In his words, as in his photographs, Darwin Wiggett shares a profound view of the landscape. From the ethereal water of Rushing River, scrambling over layers of Canadian Shield, to a wintery wall of trees in British Columbia's Manning Provincial Park, this book is a unique combination of colour, light and meaning. Darwin transports his readers to amazing places still unknown to many Canadians. He reveals the Okanagan pocket desert bursting with life after a spring rain, the Great Sandhills ...

Northwest Territories

Having purchased Darwin Wiggett books before, I had a certain level of expectation. While this volume contains many *good* photos, overall it doesn't attain to the same height as Darwin Wiggett Photographs Canada.It also is not as well printed as Photographs Canada, which BTW, has a different publisher from Dances With Light (and apparently from all of his other books as well).
