Pay Dirt is the second book of "Whispering Sands" stories, stories that first appeared in Argosy. Bob Zane is an old desert hand who serves as much as a commentator on desert life as he does as the narrator and main character in these stories. "Singing Sand" tells how Bob Zane guided Harry Karg into Yaqui country. Lots of men went there but few have returned. Does Karg seek gold or a missing woman? The ending is ironic but expected. [Did those silver bullets inspire a radio serial?]
